1. Claims 3-12, 17-28, and 30 are withdrawn from further consideration pursuant to 37 CFR 1.142(b) as being drawn to a nonelected invention as previously set forth. Applicant new election is acknowledged.
2. This application is in condition for allowance except for the following formal matters:
“an outer panel, having a front operation side, ..” is confusing. It is unclear what is having a front operation side. If it is an outer panel then applicant should delete the comma comes after “panel” and “side”.

In claim 13, ln. 11, “two pouch straps” has no antecedent basis. Does applicant means “pouch flaps”? Similar problem with claim 14, ln. 25.

Non elected claims that are not readable on the elected species must be canceled.
Applicant is also noted of numerous claims depending on canceled claims 1 and 2.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm’r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

- Claims 13-16,29, and 31-33 are allowed given applicant to correct the matter above.
